

# Your Campus Healthcare Service is Transitioning to Raffles Medical Group

Dear NTU Faculty, Staff, and Students,

We are pleased to share an important update on your campus healthcare services.

Effective **1 January 2026, Raffles Medical** will officially take over as the healthcare service provider for the NTU Campus Clinic, succeeding Fullerton Health.

Our foremost priority is to ensure a **smooth and seamless transition**, with **no disruption** to your medical services or access to care.

## What This Means for You — Seamless Care, Trusted Continuity

### Comprehensive healthcare under one roof

Enjoy convenient access to **Raffles Medical's GP, Dental, X-ray, and Psychiatry services** within your campus clinic.

### Trusted Raffles doctors

Receive care from our **dedicated in-house Raffles doctors**.

## Meet Your New Team: Join Our Campus Roadshow!

Our Raffles Medical team will be on campus to meet you in person and share more about our services.
